Dear Sir.

Would you kindly confirm if M. A. E. JOHNSON of 10 rue Neuve Eglise, Baillet (Nord), France is still the representative of your organisation for a group of cemeteries in the above district.

He was so very helpful to me in January 1952 when I visited my brother's grave in the Baillet Communal Cemetery Extension (he was killed in World War No. 1.) and as I am going there again early next month I am anxious to see him.

When replying perhaps you will be good enough to let me know if he is still at the above address.

Yours truly

Dear Sir,

In reply to your letter of the 11th. March, it is confirmed that Mr. A.E. Johnson is still in the Commission's service and that he is employed in the Bailleul area.

We have no knowledge of any change in his address. The staff in France are administered by our Area Office in that country but I have no doubt that an enquiry at the cemetery would put you in touch with Mr. Johnson even if he is not actually there.

Yours faithfully,

Sgd. P. TYRELL

Secretary.
